

Material Safety Data Sheet

Carbenicillin Powder **Catalog # 400-105P**

Section I: Product Identification

Product Name:

Carbenicillin Powder

Catalog Number:

400-105P

Section II: Composition/Ingredients

Carbenicillin
Disodium salt

Section III: Health Hazard Data

Hazardous Components:

Harmful. May cause sensitization on contact.

Toxicity:

Toxic

Target Organs/Systems:

Eyes, ingestion, skin. Respiratory: may cause allergic reactions.

Effects of Overexposure:

Not Established.

First Aid Procedures:

If product gets into eyes, open eyelids with fingers and flush eyes with copious amounts of water for at least 15 minutes. If product gets on skin, wash the skin with soap and copious amounts of water for at least 15 minutes. Remove contaminated clothing. If swallowed and person is conscious, rinse mouth with water, consult a health care provider. If product is inhaled, get to fresh air. If there is any difficulty in breathing, seek medical attention. If there is any irritation, consult a health care provider.

Section IV: Physical Data

Appearance:

White to off-white powder

Density:

N/A

Boiling Point:

N/A

Specific Gravity:

N/A

Vapor Density:

N/A

Vapor Pressure:

N/A

Evaporation rate:

N/A

H₂O Solubility:

N/A

Section V: Reactivity Data

Stability:

Stable

Conditions or Materials to Avoid:

Oxidizing agents.

Hazardous Polymerization:

To our knowledge, will not occur.

Section VI: Fire & Explosion Hazard Data

Flammability:

Nonflammable

Flash Point:

N/A

Flammable Limits:

N/A

Extinguishing Media:

Use appropriate media for the surrounding fire.

Hazardous Combustion or Decomposition Products:

Carbon dioxide, Carbon monoxide, Nitrogen oxides, Sulfur oxides.

Special Fire Fighting Procedures:

Wear self-contained breathing apparatus and protective clothing. Emits toxic fumes in fire conditions.

Section VII: Spill or Leak Procedures

In the event of a spill or leak:

Wear suitable protective clothing including a dust mask, latex gloves and goggles. Avoid raising dust when cleaning up material. Put into a closed container/bag for waste disposal. Ventilate area. Clean spill area thoroughly after material is picked up.

Disposal:

Abide by all local, state and federal regulations regarding waste disposal.

Section VIII: Handling & Storage Precautions

Handling:

Avoid inhalation, contact with clothing, skin and eyes. Avoid repeated or prolonged exposure.

Eye/Skin Protection:

Wear suitable protective clothing. Safety glasses with side shields and latex/rubber gloves are recommended.

Storage:

Store refrigerated at 2 to 8 °C

Section IX: Special Precautions & Comments

Intended Use for Product:

For laboratory research use only. Not intended for human, clinical or diagnostic use.

Section X: Disclaimer

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Gemini Bio-Products shall not be held liable for any damage resulting from handling or from contact with the above product.
